This interactive program is paid for with your full registration or your Friday night single registration. Peter will discuss techniques for effective bonsai display and will seek assistance from participants to reset the exhibit for a more effective flow. This is a not to be missed event!

## **Workshop I – Robert Mahler**

\$75.00

### **Bring Your Own Tree**

Eight (8) participants will style and work on their bonsai under the watchful eye of Robert. Style and/or repotting allowed, but please limit one tree per participant. This is a great opportunity to continue working on a tree with Robert. Especially helpful is that Robert has seen the tree previously and will help bring the tree to its next level. Don't miss this opportunity to work with one of the finest artists in the country.

## **Workshop II – Peter Warren**

---

\$175.00

### **Shohin Ilex**

This workshop is limited to eight (8) participants. These trees have been grown for Shohin and have been trimmed, repotted and worked for over a year for this workshop. They will be show ready after the wiring and styling in this workshop. Repotting is encouraged as well, so bring soil of your choice.

## **Workshop I – Peter Warren**

---

\$100.00

### **Bring Your Own Tree**

This critique is limited to twenty (20) participants and be a discussion and analysis of the exhibit trees by our speakers. They will offer in-depth analysis of selected trees.

**Our vendors will be providing a variety of bonsai supplies from pots, soil, tools, wire; and most importantly trees: bonsai, pre-bonsai and raw stock!**
